

THANK YOU!!!

A big thank you to everyone who participated in the UK Webinar on Wednesday 25th March, especially to those who contributed to the presentations:

Dr Reto Gamma, Dr Khaled Alfakih, Katherine Martin and Abigail Knighton

We hope that you found the information shared helpful.

The InForm database lock took place on Sunday 29th March, in preparation for the DSMB review. Thank you to all site staff who worked on their data to ensure that visits entered were as up to date as possible, and dealt with as many queries as they could.

A special mention to Study Coordinator ***Melanie Munroe*** at Dorset Hospital, whose data was 100% clean and up to date for the second DSMB review in a row!

CONGRATULATIONS!

- ★ To Southend University Hospital for ***randomizing 4 participants*** in March! ★
- ★ To Broomfield Hospital for enrolling & randomising 2 participants in March ★
- ★ To Kings College Hospital for enrolling 3 participants & randomising 1 in March ★

Did you know?

Eligible patients who have undergone coronary angiography in the past 12 months can be enrolled into the ISCHEMIA trial (and do not have to undergo CCTA as part of their screening) as long as their cath shows:

- Obstructive CAD (at least 50% stenosis in at least 1 vessel)
- Any LMS disease is <50%
- Revascularisation has not been planned

Trial Update

As of 31st March 2015

Total Enrolled: 2,711

UK Enrolled: 318

Total Randomised: 1,574

UK Randomised: 194

Randomisations Pending: 182
